### POSSUM MAGIC

Based on the book by Mem Fox and Julie Vivas

For more than 30 years, Mem Fox's Possum Magic has captivated and enchanted young people all over Australia.

Grandma Poss loves making magic. She makes wombats blue and kookaburras pink. She makes dingoes smile and emus shrink. But one day, when danger arrives in the form of a snake, Grandma uses her most magical spell to make Hush invisible. Hush has many wonderful adventures. But being invisible isn't all it's cracked up to be, and Hush longs to see herself again.

One problem. Grandma Poss can't find the spell to make Hush visible again. And then she remembers...this particular magic requires something more, something special, something to do with food...people food.

Possum Magic takes us on a whimsical journey to cities around Australia to find the food that makes Hush visible again.

Joined by an extraordinary creative team, Monkey Baa brings to life the characters, journey and love that has made Possum Magic the most-loved and best-selling Australian picture book of all time.

Logan Entertainment Centre & Spare Parts  
Puppet Theatre presents  
**Roald Dahl's  
THE TWITS**

Roald Dahl's The Twits is a comedy of rebellion and justice in which Muggle-Wump the monkey races to outwit Mr and Mrs Twit, two of the most terrible and disgusting people ever to have lived. Playfulness and tricks are more successful than following the rules in this classic Roald Dahl story, making it fantastically well suited to the grotesque world of puppet theatre.
