Patch Theatre & LEC presents
ZOOM

Combining old school whimsy with state of the art technology, ZOOM is an enchanting story of a child alone in her bedroom, unable to sleep and curious to understand.

She begins a transformational journey with light and discovers that the dark is a magical place.

Adventures happen and with the assistance of the audience the girl discovers a community of people who can help her solve problems. Part music video, part dream, ZOOM is a show about all sorts of perspective.

Inspired by iconic children's book "Harold and The Purple Crayon," ZOOM channels the same philosophy; a child who makes sense of their world through art. The show is driven by the power of 'child logic', combined with the magic of science.

The Listies, Critical Stages Touring & LEC presents

Hamlet: Prince of Skidmark

A Badaptation of the Bard, created by Richard Higgins, Matt Kelly
& Declan Greene

"One of the funniest introductions to Shakespeare imaginable" 4
STARS Daily Telegraph

Australia's favourite kidult comedy duo, The Listies, are back with their hilarious adaption of Shakespeare's classic. This is the bard, Listies style: ninjas, ghosts, pirate aliens, swords, dinosaurs and zombies. Hamlet: Prince of Skidmark is a side-splitting adventure that shatters the fourth wall and glues it back together with supersonic story-telling and silliness. Spoiler alert: everyone dies at the end – including the audience!
